

*You're always  
on my mind...*

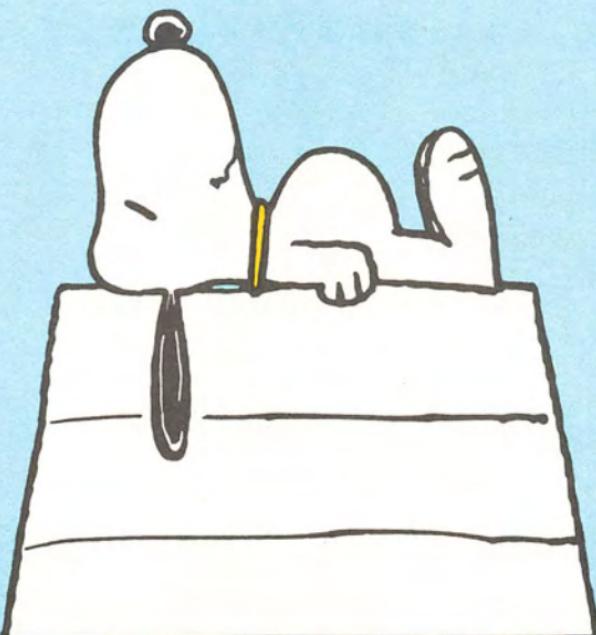

SCHULZ

**With happy thoughts  
and good wishes from**

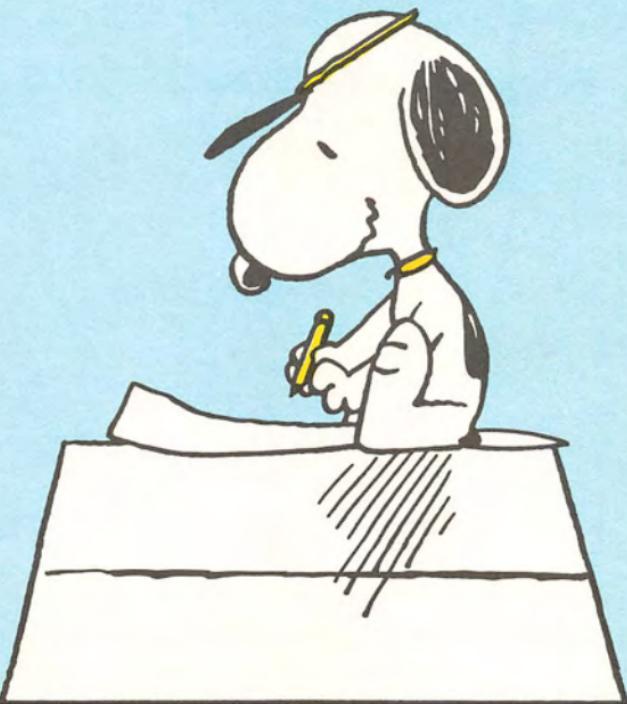

*Me!*

**Thinking of you  
is my favorite pastime...**

**I thought of you  
8,723 times last week...**

...AND IT WASN'T EVEN  
"BE KIND TO PEOPLE WEEK"!

**Words simply can't express  
the way I feel about you...**

...BUT "FANTABULIFIC"  
COMES PRETTY CLOSE!

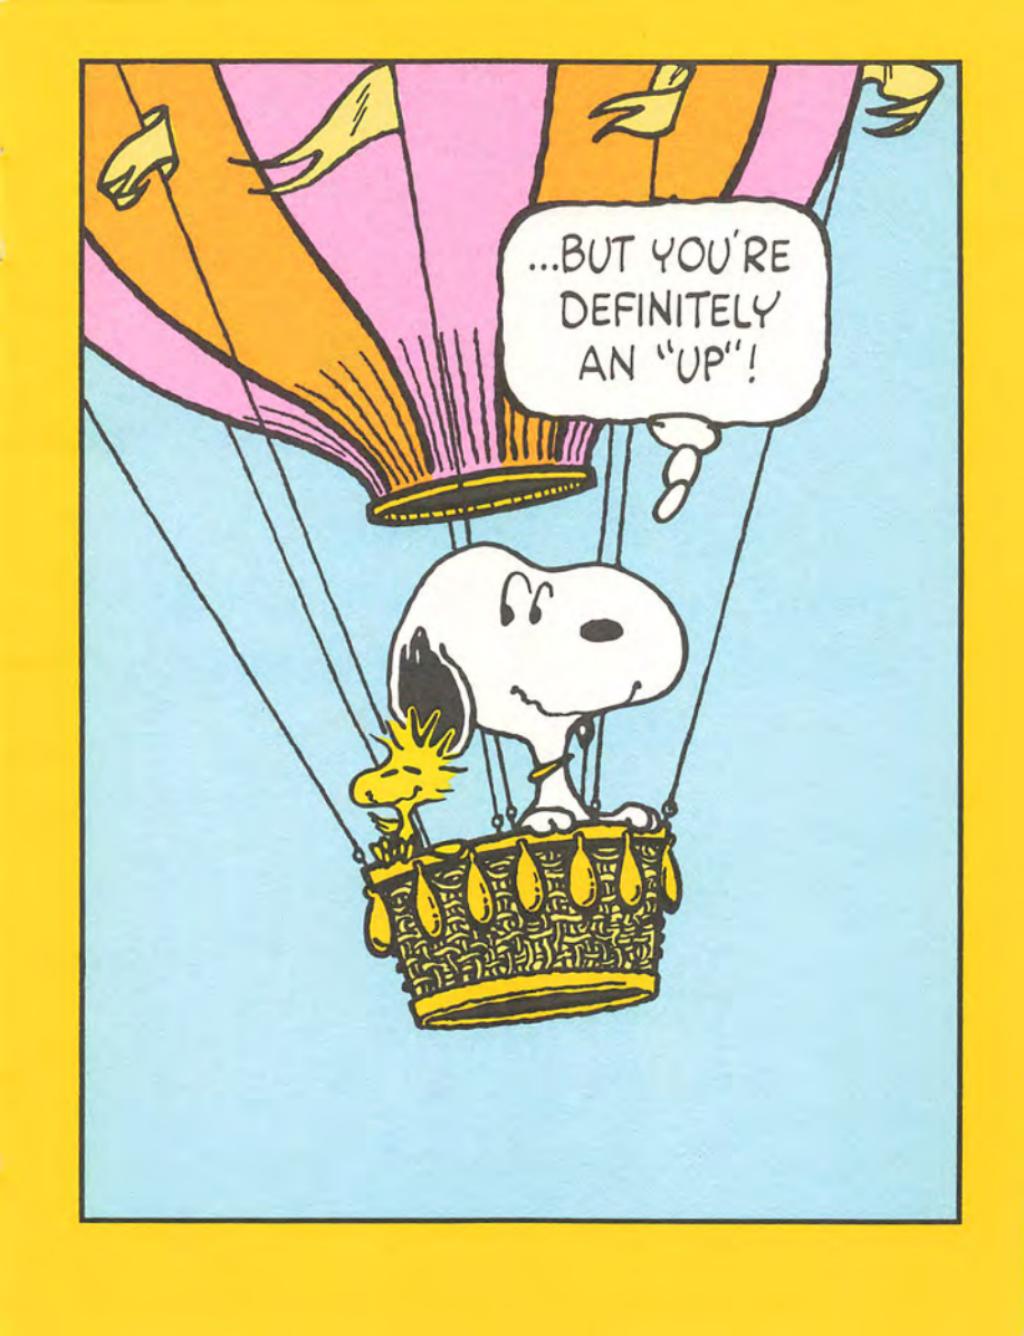

I like you better  
than root beer,  
better than  
peanut butter and  
jelly sandwiches,  
better than pizza  
with everything...

...SOMETIMES EVEN BETTER  
THAN BENDER'S BLUEBERRY  
BEAGLE BISCUITS!

**Life is full of ups  
and downs...**

A black and white comic strip panel featuring Snoopy and Woodstock. Snoopy is sitting in a hot air balloon basket, looking up at Woodstock who is perched on top of the basket. Woodstock is holding a speech bubble. The hot air balloon has a large, striped envelope with pink and orange sections. The basket is woven and has a yellow border. The background is a light blue sky.

...BUT YOU'RE  
DEFINITELY  
AN "UP"!

**If you ask me,  
what this old world needs  
is a little more kindness  
and love...**

...AND A LOT  
MORE NICE PEOPLE  
LIKE YOU!

**Whenever  
I'm feeling blue,  
I remember  
your smiling face,  
and suddenly...**

...YIPPEEEEEE!

**Thinking of you  
brings out  
my basic instincts...**

...LIKE NOW,  
FOR INSTANCE,  
I THINK I  
NEED A HUG!

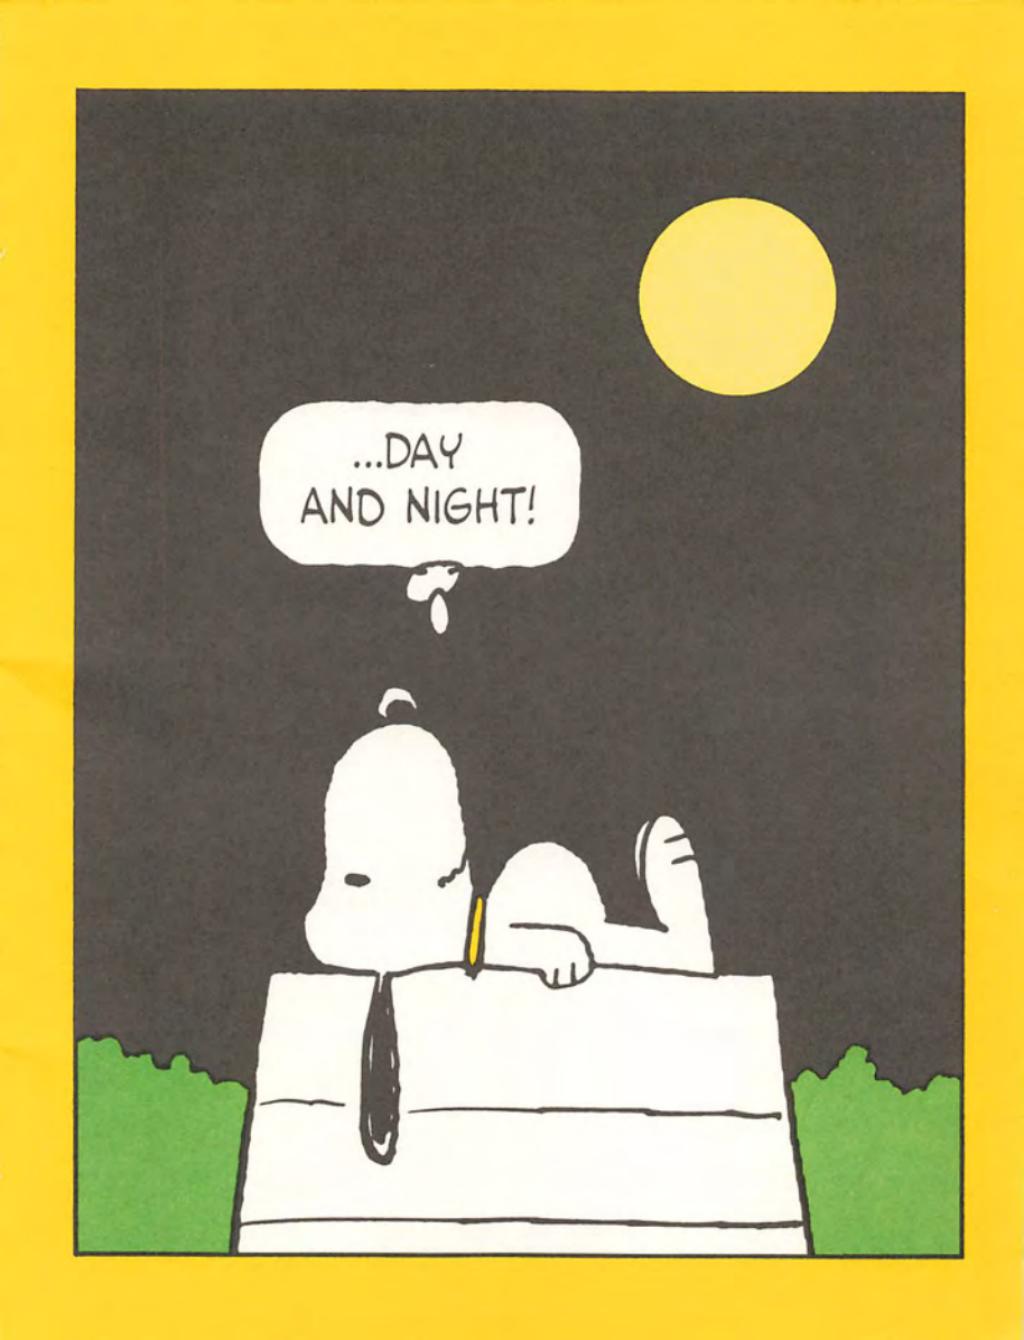

I've met  
a lot of super people  
in my day...

...BUT VERY FEW  
AS COOL AS  
YOU!

**Of course,  
I really only think of you  
on two occasions...**

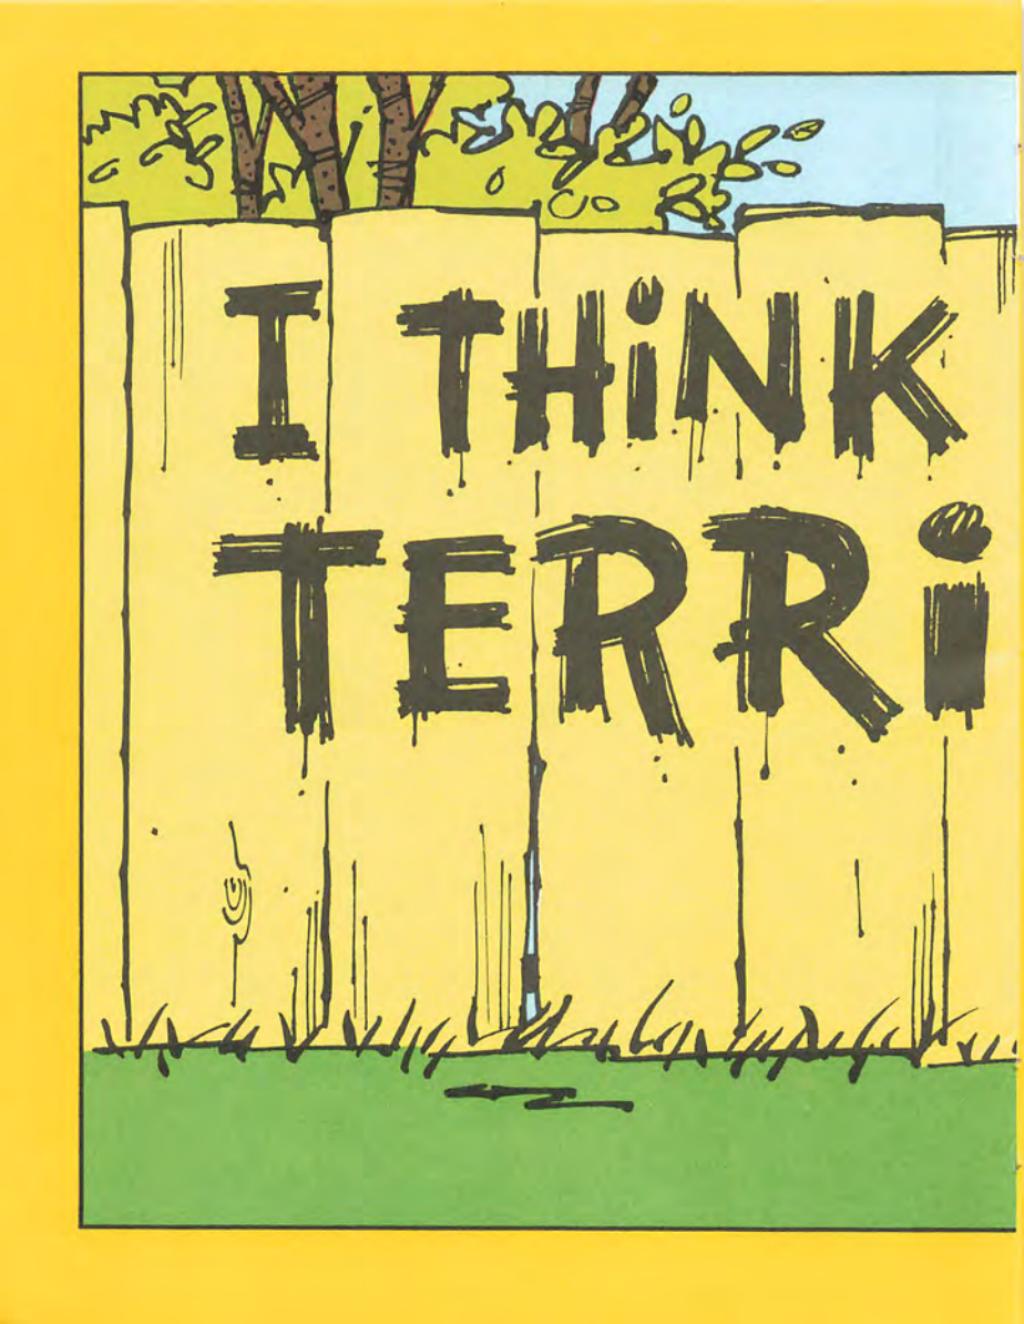

...DAY  
AND NIGHT!

**Wanna hear a little secret?**

PSSSST...

I THINK  
TERRI

YOU'RE  
FIC!!
